Dear Wagar,
 All of you know that you turn 17 years old and leave High School. Most are anxious to do this. Not this one. I shall quote Peter Pan. "I don't wanna grow up, I don't wanna go to school." It's not that I love Wagar or High School or even being President for that matter, but I appreciate being youthfully young because I know it only comes once. I can picture myself sitting in back of some desk thirty years from now and asking myself "Where have all the years gone?" Beats the hell outta me! 17, 18, 20, etc.! Growing up - Yuck!! But what can you do? Not much, I guess. Time rolls along at a clip, even though it

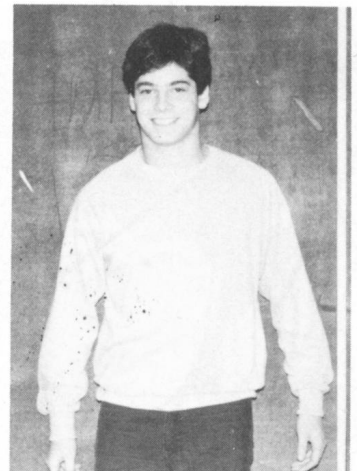

seems slow at times. So next time you are sitting in Math or French or some exciting subject like that, and the clock just won't move, and it seems like it's never going to finish, appreciate every second of it because once it's over, it never comes back.

Bye, Wagar,

Bobby Abrams

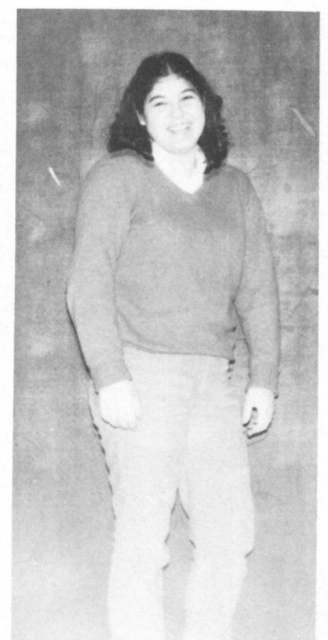

Bobby Abrams
 President - Student Council

The Vice-President and second Vice-President have very important roles in each and every one of your lives. While you may not notice us yet, we are actively campaigning to enrich your school lives. But, seeing as the administration ruled out community mud wrestling, we settled for mellower activities like the chess

club. Someday you will appreciate what we have done and the sacrifice we have made for you. Until then . . .

Lay loose + keep cool,
 Kenny Nathens -- Vice president

Reach for the Top

This year's Reach for the Top team, consisting of Kenny Nathans, Vicky Kaspi, Arjun Basu and Ignacio Denoso lived up to the super reputation set up by last year's team. They were the third League champions, having crushed Herzeliyah St. Laurent High, demolished Royal West Academy, and ROLLED over Loyola High School. The lucky team members won not only bronze and silver pins, but t-shirts, an atlas, and a year's subscription to Reader's Digest. Hopefully, this team will go on to the national finals of Reach for the Top, which this year will be held in Regina, Saskatchewan. Ms. Cox and Mrs. Sherman put in hours of tedious hard work shaping up that silly bunch. We hear Regina's beautiful in May . . .

Hat Day

--- Oct. 31, 1983, 7:28 A.M. ---

Many begin to stir as they prepare themselves for the upcoming exciting events of the day in Wagar!

Success was apparent as hundreds swarmed the halls of Wagar wearing the most original hats that they could find. It was HALLOWEEN HAT DAY!

The inevitable was in progress: Anxieties were released through the frivolous activities of the day.

Prizes were awarded to Sherrie Moss (Grade 8), and Andrea Plawutsky (Grade 9), for designing the most bizzare hats in the school. Special mention went to Lorne Wiesenfeld for his insane costume.

As usual, the Wagar slide show was a phenomenal success. Thanks to our especially organized crew, the audience was captivated by the presentation.

Even better than the slide show was the Wagar movie. Unfortunately, many were confused by the film, but we're sure that it was well worth it. What a pleasant way to end an exciting day!

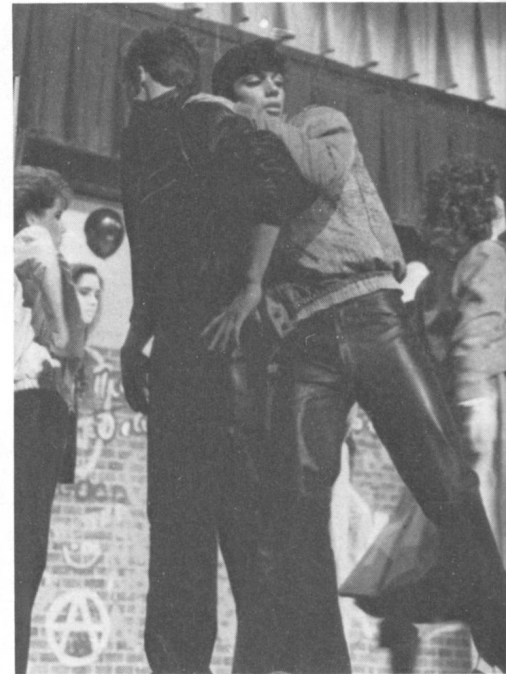

Wagar in Fashion 1984

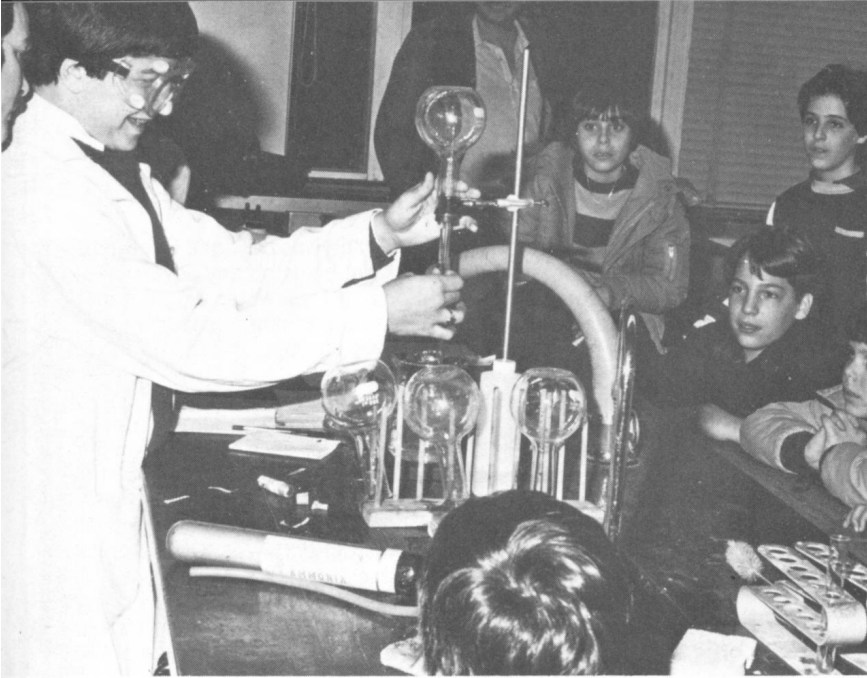

TENSION was mounting backstage as we watched the many anxious models prepare themselves for the show that they had worked on for months.

AS we pushed through the crowd in the auditorium, we realized that the show was going to be a huge success due to the fantastic turnout. The lights dimmed and the show began. Months of hard preparation unfolded before our noses.

THE first dazzling effect was the imaginative scenery. As the show proceeded, we were made aware of the many talents of our peers. Some outstanding stars who led the show were Brigitte Bako and Murielle Chocron. Kiki and Amram also amazed the audience with their fabulous dance routine. In general, we feel that the show was a great success due to the excellent choreography, organized stage crew, talented dancers, and effective clothing. We congratulate all those who contributed to its making.

A decorative banner for the 'Wagar Works' Open House. It features the title in a stylized font, followed by icons representing various subjects: a calculator, a fan, a ruler, and a basketball. Below the icons, the text 'OPEN HOUSE' is written in large, bold letters. Further down, it says 'JOIN US at WAGAR HIGH SCHOOL' and 'feb. 1st 7:00 - 9:30 pm'.

Movie Club

From the start, the Wagar Movie Club was destined to become a subversive organization worthy of being on any government list of subversive organizations. (ED.'s Note: No, I didn't understand it, either) As one of the founding members of this club, I can honestly and unequivocally say: "A good time was had by all whenever a film was screened."

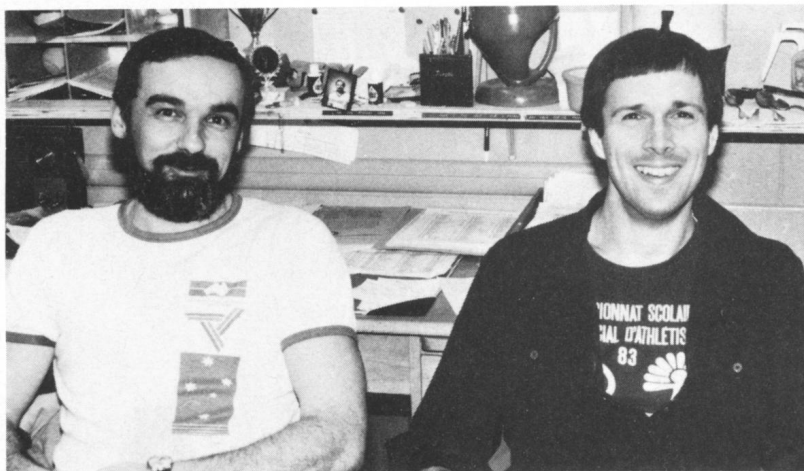

Under the expert guidance of Mr. Feigen, an authentic Hollywood atmosphere was provided for each screening in our lavishly furnished 'screening room' - rm. 313. Some of the celluloid masterpieces sampled were: "Stripes", "Flashdance", "48 Hours", and a host of others. We sampled all different types of films except for the outlawed XXX - Danish classics which were so sorely missed.

Aside from being entertaining, the Movie Club gave us the opportunity to see films which are often a mirror image of the society that produces them.

In closing, I would like to say that the Movie Club was one of the high points of the 1983-84 academic year.

Ugly Club

Membership to Wagar's Ugly Club was limited to two members. Wagar, it seems, is a very good looking school. Every morning, Peter Ugly tells Donald Ugly, "Boy, you sure are ugly!" - to which Donald Ugly would reply, ". . . well, at least I don't look like my brother's dog. Gosh, you look tired!"

The two members combed the school constantly for other ugly people, but by the end of the day, both would say, "Nope! No one as ugly as we are," whereupon both members would crawl into their sleek blue vehicles and live it up at the local tavern. Let's hope a lot of ugly people come to Wagar next year . . .

WINTER CARNIVAL

Ski Trip to Jay Peak

It was Wednesday February, 8. Five busloads of wild Wagarites departed from our great school at 7:30 AM (half an hour late, of course). We were all in terrific spirits, excited about the prospect of skiing Jay Peak with our friends. Little did we know that our arrival at the mountain would be preceded by Arctic temperatures and winds of more than 60 km per hour. It took only a few runs for us to realize that the sub-human temperatures could not be tolerated by our delicate flesh (used to the heat of Miami). That's when the REAL fun. The busride home was relatively quiet considering what animals we really are. Some of us overwhelmed Wagarites caught up on our sleep, while others continued to PARTY!! After our day we had just enough energy left to cheer our fantastic Reach For The Top team to a thrashing of Loyola High School.

Whorsing Around in Stratford

Once again, Ms. Cox, in a fit of absolute courage, took it upon herself to take a group of English students to Stratford, Ontario. This was the grade 10's and 11's second trip to the famous town, where the Shakespearean festival is held annually.

This year they saw Arthur Miller's "Death Of A Salesman", Moliere's "Tartuffe", and Shakespeare's timeless classic (and perennial bore) "Macbeth". They stayed at the Windsor Hotel, which turned out to be quite an interesting place. The students who went will always remember that first floor corridor! Special thanks go out to Miss Rosenberg, Mr. Druker, and Arthur Z. Birenbaum for accompanying the students on their trip to 'chaperone' them.
