VECTORS CLUB

With members like Maury, Odie, Source, Lucky, Fred, George, and Mad Dog, visitors to the club may think this was a Hell's Angels meeting. To their surprise, the members of the club are actually quite a conservative bunch. Even though they like to party, insult each other, and argue with the textbook (despite threats of "Stop the talkin' - you're losin' marks!"), Smilin' Jim's crew actually learn a little bit each day - even if they don't understand it.

Highlights of this year included Perry Karnofsky's Birthday Party, where a delicious cake was served amidst music from the 105 Wallbangers. Mr. Jim Aitken (say it fast) stylishly decorated the black-board with a lovely orthogonal matrix.

UGLY CLUB

In the past, Don Ugly and Pete Ugly were the only uglies ugly enough to qualify for Wagar's very exclusive Ugly Club. BUT NOW . . . A NEW MEMBER - Jim Ugly. Jim has passed initiation (breaking the Prelude Staff's photography lens) and has been admitted. Using advanced technology, durable film, and a shatterproof lens, our staff finally managed to capture this ugliness, Now judge for yourselves . . . could anyone be uglier??!?

THE BOYS FROM EMO

Danny "SLUG" Raie, Jon "J.D." Silver and Jamie "BLICK" Blicker. These three are part of the Cote Saint-Luc Emergency Measures Organization which serves the City of Cote Saint-Luc with a First Responder service. They have the most modern equipment and newest techniques for saving people's lives. This is their last year at WAGAR, but remember, they will be there when you or your family needs them the most. "People ask why we do it?" The answer is simple, *"it's because we care"*.

THE FRENAYS

Wagar's unusual basketball team, coached by P. Frenay, went 0-5, but they had fun. The team featured such superstars as Sean (3-point) Barskey, Steve (Dr. Kool) Lewandowski, Paul (Crockett) Leiba, Albert (Zube) Zbily, Alan (Big Man) Cohen, and Lishon (Gandhi) Daniel, Mark (Mr. O) Levine, & Ken (Bruce) Lee, who are unpictured. Coach Paul (Phil Collins) Frenay lent his vast basketball experience to his team, which was the only one with a PERFECT record! Congratulations, guys! Special thanks to David & Leroy (referees).

ACTIVITIES

CHOCOLATE BAR SALE

This year's chocolate bar sale went very well, thanks to those students who sold boxes and boxes of bars and managed to raise approximately \$4000.00 for Student Council. The money was used to plan activities such as dances and Winter Carnival.

Randy Schwartz sold the most chocolate bars and received a cheque for \$75.00 Miss Graham's homeroom, 208, sold more than any other homeroom and got to share a chocolate bar, which, as can be seen in the photograph, was slightly larger than the ones that had been sold. Congratulations to the Student Council on successfully organizing this event.

SOCK HOP

Wagar's first dance of '86-'87 was held on November 27. The theme was a '50s and '60s one, and Wagarites rocked around the clock to the swell tunes provided by Superior Sound. The overwhelming attendance demonstrated Wagar's tremendous school spirit, and left everyone looking forward to the next one.

LIP SYNC CONTEST

Wagar's first annual Lip Sync contest was quite a success, as students got the chance to perform on stage as their favorite musical celebrities. The contestants' acts were quite varied; songs by Madonna, Kiss, and Muppet Babies, among others, were lip-synced by juniors and seniors alike. All the presentations were great, but the winners of the contest were Rony, Steve, Brad, and Brent with "Heaven's on Fire" by Kiss (juniors) and Belinda, Jayne, and Allison with "Splish Splash" by Bobby Darin (seniors). Hopefully, the lip sync contest will become a yearly tradition at Wagar.

SHAW /87

In early October, a group of Wagar's finest set out to bustling Niagara-on-the-Lake to partake in the Annual Shaw Festival. Led by the fun-loving Ms. Cox and Ms. Rosenberg, the bunch enjoyed three days of learning and enrichment. They also saw a few plays. All those who were awake during the performances agreed that they were marvelous. Those who understood them as well liked them even better. Highlights of the trip included re-enactments of the Family Feud in the Royal Anchorage Motel's parking lot under a downpour and several searches for pizza in the wee hours of the night. Despite the slight deviation of these students from the norm, the chaperones had no trouble keeping everything (well, mostly everything) under control. This excursion once again demonstrates that Wagarites possess the ability to have fun anytime, anyhow, and anywhere.

EXPOS' VISIT

At the beginning of the school year, Wagarites had the privilege of receiving a visit from three Expos and their batting coach. André Dawson, Tom Foley, Jim Fanning, and Bobby Winkles all spoke to Wagar students about drugs and drug abuse. This was definitely a superb experience for all those who were present, teachers and students alike. These men spoke frankly and openly about situations that they had witnessed or been involved in, and their audience realized the evils of drug abuse. We would like to thank these men for taking time out of their busy schedules to come to a high school and speak to the student body in hopes that a well-informed generation will produce one that isn't self-destructive.

GRADUATING CLASS ORGANIZATION

It was a great year at Wagar High but that didn't change the fact that the graduating class was excited to get out. So we, GCO, had to bear the burden of planning the dance for a bunch of apathetic, yet fun-loving grads. Being constantly bombarded with questions such as, "Who am I going to the dance with?", "What am I gonna wear?", "What is the colour combination so that I can dress accordingly," the planning of grad was tough, but still fun. We managed to get the dance set for May 21, at the Sheraton Center Hotel, where we planned to boogie the night away. Bake sales, bottle drives, and raffles were the usual method of fund-raising. We also sold T-shirts and sweatshirts. A special thanks goes out to Mr. Feigen and Ms. Adams who helped to make it the best high school grad we'll ever have. Hopefully!

President's Message

Of all the activities I have had the pleasure of participating in throughout my years at Wagar, the most significant of my accomplishments was my election to the Presidency of the Student Council. Working with the council has enabled me to develop skills in advertising and leadership. I have learned the fundamentals of working and functioning in a group and the preparations involved in the organization of activities. The position has served as a great outlet for my creativity. Above all, it's been fun. There were times when I was frustrated, but when it all came together, I was proud of what was accomplished. Wagar, for the first time in a decade, had more than one dance. Our Sock-Hop and Lip-Sync contest were great successes. All the aggravation, lunch-hour meetings and eating stale chocolate bars were worth it. However, I don't believe in solo achievements. One thing this position had taught me is the value of teamwork and the importance of cooperation. I was fortunate enough to have the best people working alongside me. Avie, Ari, Eugene, and Michael - you guys are the greatest and really deserve the recognition. I didn't feel that we occupied specific positions, but rather worked as a team. We were all equals - even though I got to meet Andre Dawson (Ha-ha!). I must also thank Mrs. Shugar for her help and for putting up with us. I would like to thank the council and the entire student body for their continued support, respect, and friendship. I hope that I've made your year as incredible as you've made mine.

The 1986-87 Staff Laff Variety Show was, well . . . interesting, to be sure. Messrs. Shuster, Rideout, and Levine performed to an enthralled audience, providing musical and comedy entertainment. These three embody the spirit of Wagar's happy-go-lucky exhibitionist faculty. (Luckily, otherwise the stage would've been empty - perhaps the rest of our fun-loving faculty just couldn't make it.)
