SKI TRIPS

MONT ORFORD This year, due to the growing cultural diversity of the school, one of the aims of Wagar was to teach students how to be tolerant and to help them understand and to learn about other ethnic backgrounds.

As a part of this program, Mrs. Pike suggested an overnight trip for grade 7's that would encourage friendships between groups.

So, on the 21st of January a group of 26 grade seven students and a peer support team made up of 15 people from grades 10 and 11 left for Mont Orford.

The trip consisted of 2 days of skiing and instruction for those who needed it, as well as a racial tolerance discussion on the first night.

The trip seemed to prove successful; everyone enjoyed themselves and got along fine. Many thanks to Mrs. Pike for making it all possible.

On behalf of the Student Council, we would like to thank EVERYBODY for the greatest year Wagar has ever had!!

We created many memories and we hope that they will stay with you for a very long time.

The support that we have received from teachers and students was tremendous and we hope that the students of Wagar High will continue to lend their support to future Councils.

This year, we had many goals. Whatever we achieved was carried out to the best of our ability and the things that we did not achieve is left for next year's Student Council to master.

Remember, Wagar needs a LOT of school spirit. If the Student Council can parade the hallways with the Wagar Band and jump on stage doing "Spirit Cheers", then surely Wagar teens can give something back -- SPIRIT!

It was not easy, but we pulled it off!! Thanks to all Wagar Students. You guys were great! Thanks to all the administrators, teachers and secretaries. Your help was greatly appreciated. Thanks to our different committees. We could not have done it without you. Thanks to Mr. Forman and Mr. Kotler. Your guidance and support only made this year better. And finally, to the Student Council:

WE DID IT!!!

Puja Chaubey,
Zahira Sookhdeo,
Co-presidents.
