

# ONE DAY AT CAP ST JACQUES . . .

Students were cooking but do we actually trust them?

She was the judge of that

One student disagreed.

And others followed him.

When the bacteria appeared, some were frightened and stayed off the ground.

And others set out to find where and what it was.

One person took the matter into his own hands and started disinfecting

Others just didn't simply care.

Some student . . .

. . . bonded . . .

. . . together . . .

. . . to fight IT! . . .

our story continues.

One Student was very victorious and killed IT!

Then all the students left happily ever after. This was one trip no one would ever forget.

## THE RETREAT

Early this year, Student Council and certain members of the Yearbook went on a overnight trip, to plan the events of this year.

# 1st Much Music Dance.

The students of Wagar longed for a dance.

Administration agreed at once.

Students were so excited.

Parents were overjoyed.

Some teachers were okay with the idea.

Others were not so pleased.

Students took advantage of the situation.

Close friends came together.

*Student's showed off their styles and fashions.*

*And everyone had a blast.*

# HALLOWEEN

# CANDIDS

# Open house

On the 27th of November Wagar held their open house.

# DANCE

Held on December 18th 1996 Wagar had their second dance. Which was another success.

## Student Council

The year might have been a long & stressful 1, but we have made it. It wasn't easy at all moments, but we pulled through it just like a true family. & this year that was exactly what that council was, a family. We shared secrets, laughs, cries & most of all our ideas that were combined 2 make everything possible. This year will 4ever b a memorable 1 2 each & every member. The student council isn't only about its members, behind every good council lies a good school spirit, speaking of our students. U were the 1's who made it possible, & words can't explain how much gratitude is owed 2 u all. The year would have never ran by as smoothly if it wasn't 4 your participation & enthusiasm. We thank u so much.

2 Mr. Meades & Mr. Jones, thanx 4 the words of wisdom & 4 getting involved in events that we organized, especially the dances. 2 each individual teacher, because we recognize that each & every 1 were of a great support & encouragement 2 us & it was most definitely at a 100%, we send u hugs & kisses. 2 Mr. Forman, to simply say "thank you" wouldn't b enough 2 recognize the effort that u have put in. It's amazing how u were able 2 put up with us 4 a hole 9 months. U kept our spirits high when they were low, you kept our feet on solid ground when we were sure 2 fall. It was your dedication 2 us that made us strong & made us strive 2 b bigger & better. We R greatful 2 have experienced this year with u. Enjoy retirement. Most of all thank u 4 the many laughs that we have shared. 2 Veronica, it wouldn't hurt 2 stop some time soon, your work is greatly appreciated, u worked hard. Good luck next year. 2 Steev, it wouldn't have hurt if you came to the meetings earlier. 2 Atiba, where were u? (kidding). 2 Nicole, thanx u 4 the art done 4 special events. 2 Noah, your art wasn't bad at all just need a little working on. 2 Morgan, u & Noah made a great team. Keep up the good work. 2 Tannissa, we'll never 4get the Retreat, many laughs. 2 Farah, the quiet 1 among us, it was nice having u on the council. 2 Bimal, thanx 4 getting in the messages every week. 2 Marica (Mars Bar), u did your job well. Thanx so very much 4 going around in the mornings, you're brave. 2 Cathy, thanx 4 being involved & always lending a helping hand. Thanx 4 being the pick up girl 4 the cookies (Felix & Norton). 2 Pam, thanx 4 your work on the winter carnival. It wouldn't have happened with out you're work. 2 Akelia, thanx 4 always having a few smart words at the meetings, they were insightful. 2 Malika (Twinkles), it wouldn't have hurt if you sticked around 2 the meetings (where did she go?). 2 Robert, the guy who sold the most chocolates on parent & teacher nite. U were great. 2 Tasha, your per-sistance will take you far.

Personally, the council have been better than it had been this year. The amount of leadership that was shown was remarkable. We were all trying to achieve something & we all came out winners with our leading man, Mr. Forman. We'll never forget u.

\*\*\* A personal message 2 Mr. Levine. Hope u enjoyed your cake or should we say what was left of it. Hint: The knife.
