Read how SNAP facial cleansing, helped this girl correct pimples and blackheads.

An Ontario girl writes: "when I was in my late teens, I was plagued with pimples and blackheads, and my mother spent a small fortune trying to correct them — unsuccessfully. A girl friend suggested a twice-a-week facial cleansing with SNAP. I am over 30 now, and receive many compliments on my skin. No blemishes, and oddly enough, no lines."

Another girl writes: "SNAP makes a wonderful facial cleanser for teenagers with a skin problem, and women who want an inexpensive skin cleansing treatment which can be done at home."

We constantly receive letters like these, telling us how SNAP cleans the skin, stimulates the circulation and helps improve the complexion.

Give SNAP a chance to help your skin!

*Original letters can be produced on request.
