Wagar's Artists

UNTITLED

I'll never forget the days
that we didn't speak,
the moments we had
when we couldn't take the heat,
we would help each other
with all our problems
in the world.
The memories I will never forget.

Now with all the corrupted things
that I've been through
and didn't have u 2 fall back on.
The help & advice that I
wanted to hear.
I know could only come from u.

If I could just have the chance
to sit and let u know what's going on,
I would give up anything
in the world,
to just apologize and
to hear u say u forgive me.

A forgiveness for friendship,
is a great gift to get.
The loss of friendship
I will never forget.

I can't stand to see: people dying,
 people crying,
 children sad,
 everything going bad,
 nothing right,
 everyone putting on a fight.

I can't stand to hear: screams from far away,
 people not being able to stay,
 people scared, don't know what to do,
 everything so new,
 people running,
 everyone fighting.

I can't stand to say: everything will be okay,
 when I know it's not.
 thanks to you terrorists
 I can't stand to watch the news.

The Inner Beauty Of A Woman

The beauty of a woman
Is not in the clothes she wears,
The figure that she carries
Or the way she combs her hair.

The beauty of a woman
Must be seen in her eyes,
Because that is the doorway to her heart,
The place where love resides.

The beauty of a woman
Is not in a facial mole,
But true beauty in a woman
Is reflected in her soul.

It is the caring that she lovingly gives,
The passion that she shows,
And the beauty of a woman
With passing years only grows

The Hero's Call

A hero may visit you,
And say you can fight too.
For evil is drawing near.
And they live upon our fear.
But we'll take our rings and fight.
We'll fight with all goodly might!
Because your heart is true...
A hero lives in you!

Best Friends

Friends are easy to get
Whenever you needed one
But only one out of ten
Can be called best friends.

Best Friend is a person
That you can trust upon
And always believe in you
No matter what happens.

A person can only be called
Best friends when they care for you
And always be there for you
No matter what the cost.

Our Love

Our is so strong that nothing could ever break us apart.
I know that you will always be the one cause it says so in my heart.
Words cannot express how strong my love is for you.
I will always feel this way about you.
And I hope you feel the same way for me too.

Love is so incredible only if you give it a try.
It's just like bowl of syrup and a warm apple pie.
So remember nothing between us could ever go wrong.
Because our love for each other is way too strong.

I could see the sparks between us.
That lights up our way.
It keeps us together.
But never pulls us away.

You are my passion.
My hope and my dream.

You are like the water that runs down my stream.
I'll make sure that you're safe and warm.
When I hold you in my arms.

I will give you tender loving care.
And touch your nice soft hair.
I feel so protected when I am in your arms.
It's like two animals that fell in love while playing on the farm.

I hope someday that you'll know what I mean.
When I say you're love is like water that runs down my stream.

Loved you like a mortal!

I walked on leaving no boundaries,
And my head straight without ever looking back.
Didn't worry about death because it's not my headache,
And I know there is no end to a greater height,
So I lived life like a legacy.

But this body, this flesh,
I know is not for very long.
For I don't know when I will have to leave,
So I loved you every moment of my life,
As if that was the last.

The world can be gentle or cruel.
And life has its ups and downs.
So knowing all this,
I led my life as an immortal,
And loved you like a mortal!

Never Thought

Never thought it would be this way
Between me and you
Never thought I would think of you
Every single day or two

Why do I feel this way?
What is between us now?
Are we together?
Loving and caring for one another?

You told me you love me
I believed in you
I never thought I would say
I love you too

I hope that this is real
I don't want to waste my time
For my feelings
It will be here for you.

If you've never seen me happy
Then it's about time

I finally found my sense of fun
Now to combine it with rhymes

I've let you lead my life for too long
And I hoped you wouldn't get bored the ways along

My love for you has drifted away
Gone with the wind
Burnt with the hay

You're long overdue
Out you go with 10 yr old running shoes

I trusted you to do the right thing
Straighten yourself up
No more 1 night flings

But since it's respect you lack
I am more than willing to turn my back

You're not worth the commitment
There will always be new shipments
