Stay clear of the Microphone this is mine go get your own. Its known don't test me or when you see me vest up or get your chest mest up. It's the end of the line for me but that don't mean I won't spit a rhyme or three get off ma block if you hustlin' it's for me or for free. Run when you see me don't walk don't talk or else your gonna see a little but of fire spark leave you in the dark swimming, dripping all your thoughts. I'm hard core and I hate anything that's soft. I know some of y'all are fake I can't wait okay sugar cake, y'all hungry.

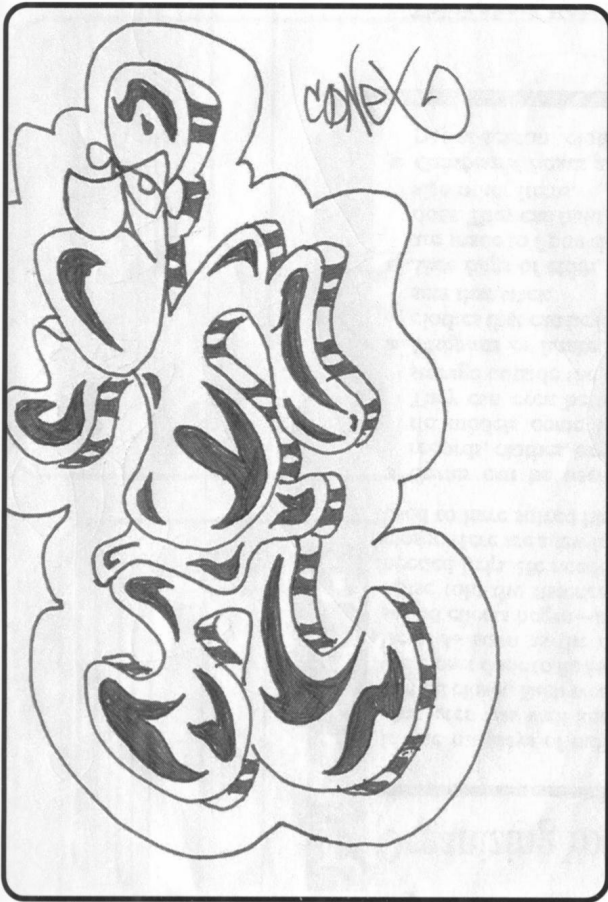

Secretly in love

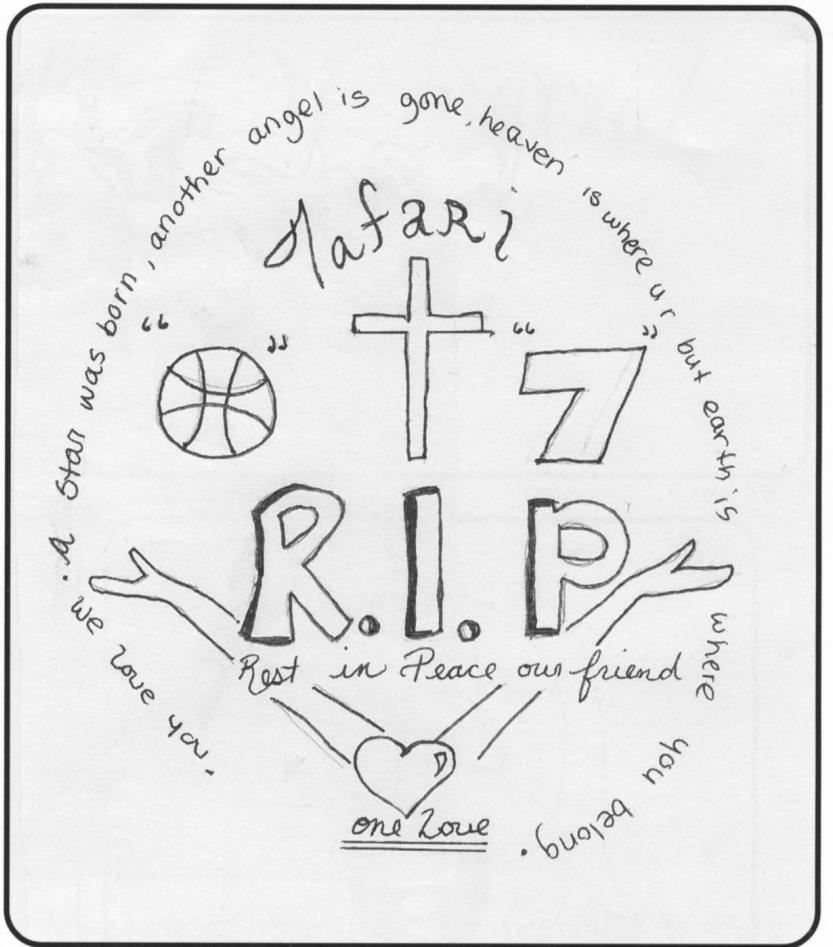

Is love a feeln' or is it just a word?
Are you in love when "I love you" is heard?
It takes two, to touch each other's heart
But, only one to break this happiness apart
He says he loves me!, he says dat he cares!
But, when I really need him, he's never there
Some ppl say dat love is just a phase
Some can last for years, while others last for days
Even when it's love, it often turns into pain
It is what it is and that's how it remains
I don't think he understands what I feel
I really love him and dats fo'real
I noe he's afraid of what we have comin' 2 an end
His heart is been broken b4 and it can happen again
But I want you 2 noe, dat I ain't dat type of gurl
I'll neva hurt you boy cuz you're my world!!
