### Grad Editors' Message

Has it really been five years? It felt like forever. We wish the graduating class a life full of love, happiness and luck (*We're all going to need it!*) We want to thank *ourselves* for our determination, courage, strength and dashing good looks. We couldn't have made it this far without all of our fabulous qualities. **Freddy** doesn't know who to thank, but he would like to apologize for the havoc he has wreaked. **Mo** would like to thank all her *Shmoopies* and *JrSir*, wherever he may be. **Jay** would like to thank *Eddie Vedder* and *Quentin Tarentino* for those late night talks, he would also like to apologize, he is *not* bigger than *Jesus*. **Jenny** would like to thank all!

We could not have done it without the hard liquor, the *Simpsons*, the hours and hours of ninja movies and all the years of making fun of Freddy.

Goodbye,

**Freddy T. Vatcha**  
**Jennifer Warner**  
**Rupa "Mo" Majumdar**  
**Jay Srinivasan**
