Administration

Mr. M. Cristofaro
Principal

Wagar High School first opened its doors in September of 1963 and sadly 42 years later, its history and traditions will come to an end. You will be the last graduating class to walk across the stage to accept your diplomas and I trust you will do so with a sense of accomplishment, pride and gratitude. Few of us are able to accomplish all we do without encouragement and support from family, teachers and friends. Take the time to acknowledge them and express to them how grateful you truly are.

Although Wagar High School will be no more, what you have learned, the friends you have made, and the experiences you have lived will always be with you and will serve as a stepping stone for the future. Remember that success can be measured in many different ways, but the gauge I believe is the most important, and is your impact on others. Be kind, helpful, compassionate, just and courageous in all you do and attempt to do.

My final wish is that health and happiness be a constant companion to you all.

Ms. D. Droutsas
Vice-Principal

As graduating you will be taking your first symbolic steps outside the boundaries of Wagar High School. Some of you will go off to work and some to college, but you won't be able to forget what has helped you get there. You have created your own history over the past years. Your education and the community of Wagar High School have helped shape that history and therefore will always be a part of you. Remember all that have played a part in your achievement, parents, grandparents, teachers and this entire community. Remember the times of difficulty and times of great success; they will help guide your next challenges.

Remember that you have the power to do great and different things. You have the power to change the course of history through goodness, kindness and intelligent decision making. I wish you all the best of luck and much success in your future endeavours!

Memorial Minute for Violet Crowley

Violet Crowley had been employed by the Protestant School of Greater Montreal and subsequently by the English Montreal School Board for the better part of 30 years.

The last 15 of those years were spent in her role as executive secretary at Wagar High School. It was my privilege to work with Vi for the last 6 years. A principal could not hope for a more dedicated, committed, loyal and hardworking secretary. Violet passed away quietly in her sleep on Sunday October 10th, 2004.

Always frugal, she would always question why I would be asking for another pen when she had just given me one two weeks ago. No teacher ever received more than three pieces of chalk or five transparencies at one time but as a result no one ever went without. Her organisational skills and bookkeeping skills were beyond reproach. Never daunted, she mastered every computer program the Board would send her way. Always ready to give an editorial comment or opinion she did so out of concern and caring for the school she dedicated herself to. Vi will truly be missed by all who knew her.

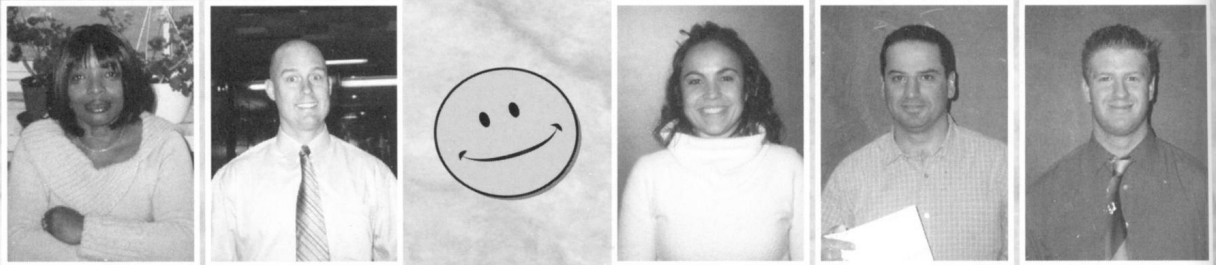

Thank you Vi for always doing and giving more than 100%.

I, of course, am the best! I've been called many things; Johnny.D, now by Morris-Johnno! But most importantly, I've been called a hockey player... And I am the best in hockey. But what I really like, as a nickname, is Johnny Bunny from Krystina. Bobby and Morculeez are my best friends and I know that it will stay like that. I did like everybody, no prob! And I do mean EVERYBODY ok... Remember, A'm just too good (me)! And one more thing, Je SUIS français!

Everyone's crowding together, what are they trying to hide?

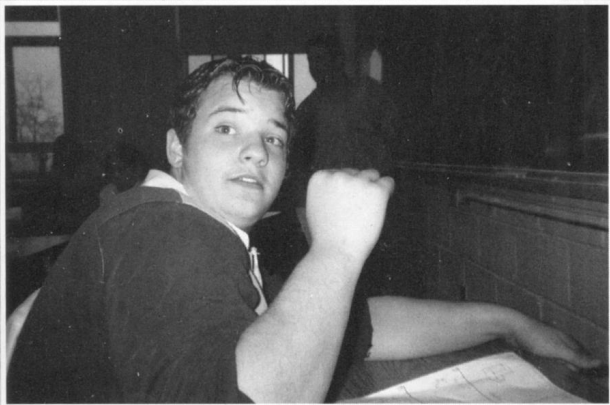

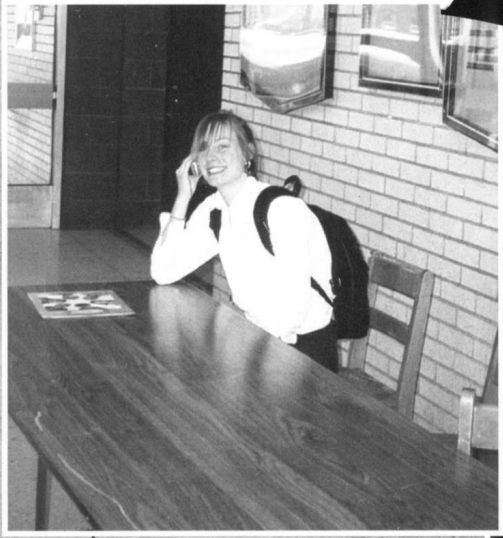

What is that smell? What is going on? Did someone fart?

Nausea's in the air, people are passing out...

No one can stand the smell. Someone please get some help! The stink alarm is going off.

Mrs. Droutsas is worried. She's questioning the teachers and the students.
"I didn't do it!" Miss. Ross replies

JUVENILE BOYS BASKETBALL

Head Coach: Mr. Lavoie
Assistant Coach: Mr. Nathan

It was a very rewarding experience for us to work with the boys' basketball team. We lost 3 starters from last year's club, so we did not know what to expect. With hard work our team constantly improved and by years end we were one of the top ten teams in the city. Throughout the year, team members showed a lot of determination and class, and we grew on the court, as well as off the court.

JUVENILE GIRLS BASKETBALL

Head Coach: Mr. Lavoie
Assistant Coach: Mr. Nathan

The girls' basketball team lost two key members from last years city championship winning team. Our regular season had some ups and downs, but through hard work and determination we were able to pull together for playoffs and successfully defend our city title. Our upset victory over undefeated Villa-Maria in the final was one of the greatest coaching memories we have ever experienced.

Congratulations to both teams on great seasons!

The past couple of months have been long and stressful yet unforgettable. I couldn't have done it without the help and support of Morris, Alexandra and Shandelle thank you! I also want to give a big thank you to Ms. Lewington for always being there for me through good and bad, and also thank you for giving me the opportunity to be apart of the yearbook committee. Although we had our technical problems and could have given up we didn't. We stuck together and we did it. Congratulations!! I hope you enjoy this years edition of Wagar's Odyssey 2005.

Morris Shipper

This yearbook was a real challenge, and without the help of Christina this book never would've been completed. To Ms. Lewington, I thank her for the awesome opportunity she gave me, she taught me a lot. I'd also like to acknowledge Mayoore, Thanusha, Rashmi, Alex, Dina and Abrar for putting in time and effort in finishing this book. WE DID IT!

The end.... Is it really? Nope - students will leave Wagar enriched by the friends they made, the learning they have absorbed and the good memories of being in a safe place. This yearbook, Wagar's Odyssey, will help them remember all of these things.

We, the yearbook staff and I, would like to thank Mr. C., Ms. D., and all of the staff for their help and support over the last year. It's been grand.

This year's yearbook staff has been great, the right combination of hard work, fun and just a bit of drama. Morris and Christina I have enjoyed working with you and wish great things for you. I wish you all good luck for the future and remember - What you declare you will achieve.

Be good.

Art & Poetry

"FAREWELL"

The bell has rung,
The time has come,
As we drop our pencils to the ground,
My heart begins to pound.

2005 is here,
And we brought it in with a great big cheer,
I know I will be just fine,
Because we are the graduating class of
2005.

I wave to my friends and say good-bye,
As I turn around I start to cry.
I can still hear the bell.
Yes! W.H.S. you taught us well.

Good-bye to teachers and Principals,
Only former students will understand.

"Memories"

The only memory of you is the one in my mind,
A picture of you the one I once knew
Only if someone had told me my love was blind
I would've stopped the stupid ness and concentrate on what's mine.

Days and months passed now I reminisce
About those beautiful brown eyes that I really miss
The sound of your voice that makes me twitch
Your sweet soft lips that I once used to kiss.

I know for a fact that I did you wrong
Things I could've prevented I pushed on
The love we share could have lasted long
Now the only thing that lives on
Is the sweet emotions and feelings that were once born

"W.H.S. Is My Friends"

It's the last day of school,
I'm standing here
Realizing,
It will be different next year.

The butterflies begin,
My eyes are filled with tears.
I almost was,
In a state of fear.

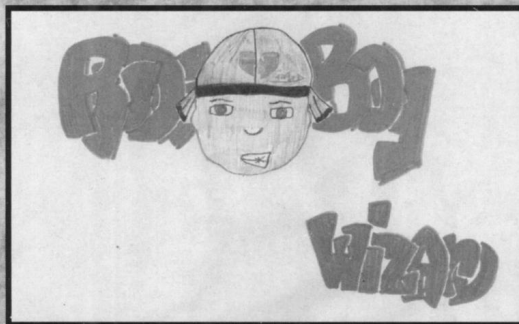

This is it,
5 years flashed before my eyes.
Farewell,
To all the girls and guys.

Happy moments we all shared.
We were hardly apart.
Trips, games...
Hold a special place in my heart.

The school model rewinds in my head.
As this special day comes to an end
W.H.S.

You'll always be my friend.
