CHAPTER 1: One sunny afternoon, while the gym class was innocently playing volleyball, a strange white blob floated down from the sky.

CHAPTER 2: The crowd was dumbfounded before this blinding and terrible sight.

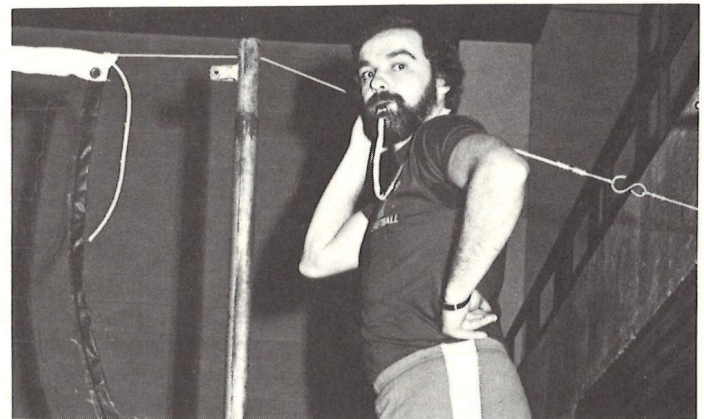

CHAPTER 3: One valiant teammate attempted to stop the approach of the UFO by violently hurling the volleyball at it . . .

CHAPTER 4: . . . however, her efforts were in vain as the ball was intercepted and swallowed by a teammate.

CHAPTER 5: Another player became so distraught that her teammates were forced to throw her into the shower in order to calm her down.

CHAPTER 6: Just as it seemed that the gym class would not escape their terrible plight, the being caught sight of Mr. McEwen, whose charming good looks caused it to self-destruct. Said Mr. McEwen, "I'm such a stud."

AND THEY ALL LIVED HAPPILY EVER AFTER . . .

The 1981-82 soccer teams did not have outstanding seasons overall, but made up for this by having the finest season Wagar soccer has seen in many years. The juvenile team, coached by Mr. Myers and Mr. Armstrong, finished the season with a record of 1 win, 5 losses and 2 ties. This was a fine showing in a division dominated by extremely tough teams. The bantam team, coached by Mr. Fabb, was composed of first-year players, eager to participate in rain or shine. Hopefully, members of this team will be back next year, with more experience, and just as much enthusiasm.

As in past years, Track and Field turned out to be very popular, this time around coached by Mr. D. McEwen. The area Wagar will excel in is Field, specifically the Shot Put, which harbors such talent as Fernando Donoso, Evan Albert and Marcela Donoso. Other events in which Wagar should prove tough to beat include Triple Jump, with jumpers Paul Burgin and Brian Martineau, the Hurdles, with Karen Mrejen and Milton Dennis, and the Long Jump, with Betty Asimakopoulos and David Shron, who set school records early in the year. If first impressions are any indication of how strong our team is, then we should do great because at the first meet, Wagar qualified over thirty people in various events.

Sports at Wagar vary
There's something for everyone.
And if athletics aren't your thing
Just watching is lots of fun.

One of the favourite sports
Is mighty basketball.
Winter brings downhill racing
And there's soccer in the fall.

In the morning, there's track and field
The shot-putters show their power.
If a volleyball player misses a shot
He may get tossed in the shower!

The bowlers get only strikes;
The gymnasts have no fear.
Badminton birdies soar through the air
And tennis ends the year.

SPORTS AT WAGAR

GIRL'S BASKETBALL

TOP: M. Soiferman, M. Stromberg, A. Plawatsky, K. Friedman, M. Donoso (Manager).
BOTTOM: Mr. D. McEwen (Coach), I. Slodre, O. Herman, T. Nesvadba, M. Cowan. **ABS.:** L. Garfinkle, M. Schwartz, S. Gould.

This year's team is made up of the younger members of Wagar's population. Even though most members were very eager to participate, the team had to be taken out of the league play because of a lack of attendance at the games. However, this does not mean that they have stopped playing exhibition games. Hopefully next year, when the girls are older and more experienced, they will come back stronger and show that they really want to play basketball. See ya next year.

This year's Juvenile Girls team was an entirely new team, most of the members being young and inexperienced however, they quickly gained the experience necessary to make their team a success. This year's team was picked from over twenty-five enthusiasts, one of the biggest turnouts for the girl's team in several years. The Juvenile Girls, coached by Mr. D. McEwen, are expected to have an outstanding season of play and are very hopeful in making the playoffs, quite an achievement in Wagar girl's basketball. If the team doesn't make the playoffs this year, many of its members will return again next year for another try and we wish them good luck. Even if we don't have the winning team, we'll have the prettiest.

MIDGET BOYS

The Midget Boys, being one of the more experienced basketball teams in Wagar, is expected to have a fine season. Many of the players, having played on the Bantam team last year, have the advantage of already knowing each other well on the basketball court. This will help them get very far in their division and hopefully come out on top.

TOP: G. Weinstein (Manager), M. Sousson, H. Liquornik, M. Rosenoff, G. Jonas, P. Burgin, L. Ruttner, Coach Aitken. **BOTTOM:** K. Cowan, B. Abrams, B. Edery, D. Steiner, J. Edelstein.

JUVENILE BOYS

The Juvenile Boys team, sporting their new uniforms, had a tough season but made it through quite strongly. Coach Chuprun had his work cut out for him at the beginning of the season because of the very competitive division his team had entered, but in the end the team turned out to be quite a success.

BANTAM BOYS

The Bantam Boys is an entirely new team from that of last year and Coach Butler has a lot of young talent on his team. Even though they are young, they have great potential for making the divisional playoffs this year. The Bantam Boys team is a very aggressive team that wants to win and they do so through much hard work and a strong team effort. Coach Butler works his boys hard and long but as it looks now it will definitely pay off for his team. Good luck to all.
