# Tennis Team

Although it's a little early in the season to say much about the Tennis Team, at least we can tell from the picture that if nothing else we have quite a goodlooking team (!?!). Actually rumor has it that Sean Siedman is a professional tennis player; so the team will probably do very well (only if this is true that is). We wish the team luck in all their future tennis endeavors.

# Golf Team

Fore . . .! That's the number of swinging bachelors on this years golf team otherwise known as "Hacker's Anonymous". Coached by Mr. R. Shuster. The team fared quite respectably in their one tournament. We wish them better luck next year!

# boy's juvenile volleyball

This years juvenile team, the only boy's volleyball team we had, fared quite well, improving immensely once the members discovered that it was easier to play using only one volleyball at a time, rather than three.

Coached by Mr. D. McEwen of ugly club fame, the team placed third in their division and only narrowly missed the play-offs.

It should be interesting to follow these excellent players as they move on to various CEGEP teams.

STANDING: Ella Wolofsky (As't coach), Tanya Galperin, Michele Shemi, Maureen Schwartz, Maureen Marovitch, Joelle Dayan, Miss D. Ross (coach), KNEELING: Sherrie Zepp, Josie Yip, Wynne Keing, Dena Seigal

This year's girl's team was a fascinating one to watch. Even though they lost more games than they won, they certainly did give the sport of volleyball an entirely new dimension.

Coached by phys. ed. teacher Ms. Ross and former Wagar volleyball MVP, Ella Wolofsky, the team consisted of several veterans and three enthusiastic rookies, W. Keing, S. Zepp and J. Yip.

Although the group never quite won four games in a row, they did manage to accumulate a debt of over nineteen pounds in peanuts to their coaches.

Better luck next year!

# Bantam Boy's Basketball

This team practised hard but due to a young and somewhat inexperienced team, had only a fair season. Still, the guys are improving by leaps and bounds and with some practice and few inches of height should be near the top of their league in the future.

STANDING: Steven Plawutsky, Jeremy Long, Coach Chuprun, Robert Tanner, Alex Benitah, Alex Riven, Paul Bailey, Mgr. Selby, Dan Gordon, Tal Gutstade KNEELING: Wilson Wong, Jason St. Louis, ABS. Dan Messer

Peter Butler (coach), Nigel Robertson, Patrick Fudem, Nigel Hendricks, David Rosenberg, Leroy Raffington, Ronaldo Aquino, Ali Burnstein, Clement George. ABSENT: Lorne Rabinovitch

This year our team, led by coach Peter Butler, is small, young but always determined to win. Unfortunately we are presently winless in league play.

With key players like "Mighty# Leroy Raffington, Nigel "Theo# Robertson and David "The Dr." Rosenberg, things can only get better for us during the remainder of the season.

We are looking forward to next year when all but two players will be returning and will most likely be a reckoning force in the league.

## Midget Boy's Basketball

# JUVENILE BOYS

Wagar's Juvenile Boys Basketball team was off to a great start once again this year under the supervision of Jim "Why are you frustrated?" Aitken and newcomer Steve Forman. The team is led by Robert "try and stop him" Ferguson and Kiki "sure shot" Ezerzer on offense. Pounding the offensive and defensive boards, there was Rodney "B.A." Hampdon and Glenn "Rosie" Rosenoff. Handling the ball in the backcourt were two newcomers to Wagar basketball, Lorne "the stiltz" Wiltzer and Kevin "no right hand" Forman.

The team also has a much larger and more powerful bench than usual with Stephen "Splinters" Belfer, Jamie "I got 2 points!" Bassel and David "Hitman" Held. As well, there are two rising stars in Wagar basketball Alrick "Alright" Peters and Mark "Space" Belhomme.

The team is on a roll, keep it up guys!

The team . . . the Juvenile Girls Basketball team . . . just one look at their stretch-cling polyester bright blue uniforms, and you'll know that this group of feisty girls is something to look into. Under the strict supervision of Mr. Don Ugly McEwen, these girls have not only managed to become the funniest, but the ugliest group of players Wagar has ever encountered!

Under the most uncontrollable circumstances, the team had to be moved into a higher league this year, and therefore were out-classed by a few of the other teams. Actually, the girls didn't do too badly. They've managed to keep up a 50-50 win-lose record, which is quite good, considering the position they were in.

In all certainty, a great time was had by all, and the members of the team are definitely very grateful this year for having the opportunity to learn that the key to a good basketball team is . . . **AGGRESSION!!!**
