UGLY CLUB

Sorry about the awful photo, but although it was agreed that these two ugly people, Don and Pete, would not be included in this year's Prelude, they gave us no choice. We tried to explain to them that due to their inclusion the value of Preludes has gone down tremendously over the past few years, but regardless of our plea they began to threaten to paste pictures of themselves all over the school.

Finally, Mr. Iannou (our advisor) decided that to include the picture would be in the best interest of all students. Hopefully we will win the fight next year!
