VOLLEYBALL

Objective: To have as many members of the opposing team smack into each other while all trying to set or bump the ball.

Materials: First aid kit, knee and elbow pads, net, ball and annoying coach.

Procedure:

a) Get into a sexy position.

b) Do the wave.

c) Serve the ball while trying to keep your arm intact.

d) Spike the ball and win the game.

Conclusion: Your coach becomes even more annoying.

SKIING

Waking up at six isn't so easy,
and the bus ride up makes us feel really queasy.
We're all psyched to hit the slopes.
So at six in the morning we must be real dopes.

Two runs a day is all we can get,
because that slow chairlift hasn't come yet.
Skiing is really quite exhilarating,
but watching all those amateur skiers
can get really aggravating.

We all go to lunch together as a group
but eating all that food, makes you really want to puke.
The day's half over, let's do one more run
'Cause we all know that skiing is the best form of fun.

TENNIS

Our fearless leader has taught us everything we know,
Just look at him swing that racquet to and fro.

Those intense looks of concentration
can lead to much anger and lots of frustration.

Swinging that racquet forward and back,
but you never want to quit 'till you hear that final crack.

We think of Tennis as a wonderful sport,
up until we walk onto that court.

FOOTBALL

Lunch hour champs

GOLF

Boys bantam volleyball

The 1990 team enjoyed great success throughout the season. The boys, most of whom were second-year players, dominated their league rolling to an impressive 35-1 record. Mr. Butler's boys won 1st place in their division and their league.

The boys came home from the GMAA City Championships with the GOLD medal for the second consecutive year.

UGLY HOPEFULS

GMAA city champs

Wagar tennis players produced great results in the GMAA city championships held in June at the Hampton Tennis Courts. All the doubles teams made the finals losing only the medal rounds. Roxanna Moscovitch won the Girls Singles Bantam event gold medal. Ted Caron placed second in the Open Boys Singles event. Ted's opponent was the #1 ranked Junior in Canada. Well done Roxanna and Ted.

Competition - a lesson in life

Ted began to play tennis at age four. Play at local courts plus lessons during both summer and winter prepared Ted for his first tournament at age 11. Further club and provincial tournaments challenged Ted to improve. He is currently ranked #20 in Quebec. In addition to school play, Ted also represented Quebec at the 1990 Canadian National Tennis Tournament. Ted recommends tennis to anyone. He has made many friends, improved his physical conditioning and also learned valuable lessons about winning and losing.

Wagar tennis program

Wagar's tennis program begins with Phys Ed classes which teach beginner techniques to all students. A lunch hour intramural program run by Mr. Levine and Mr. Frenay allows all students to perfect their games and to be eligible for school teams. Wagar players won all singles and doubles events in each age category.

Boys bantam

BASKETBALL

This team overpowered their opposition. The guards - Mark Spence, David Odude and Jamie Waplinton - complimented the "tri-towers" - Roger Saul, Arpon Baeu and Tristan Morais. The boys were undefeated in league play and lost only once in exhibition play. They entered three tournaments and won the Billings tournament. At the island-wide GMAA City Championships this group won GOLD. Congratulations.

WAGAR TRACK AND FIELD

Track and field began outdoors in March. Twenty dedicated athletes from all grades trained throughout the spring and participated in qualifying meets at La Salle High. The GMAA City Championships were held at Kent Park in May. Most team members placed in their events. The 1990 team broke 12 school records. David Neudorfer, Joseph Neudorfer, Maisie Sum and May Passamonte produced personal bests. Individual results included:

Emily Wang

Jessica Naves
Brian Sivirsky
Claudio Shardonofsky
Heidi Albert-Bobb
Dwayne Mightly
Deidre Pierson

TRACK AND FIELD

Track and field, what a great sport
running until your knees give you no more support.
Jumping those hurdles can be really great fun
yet all we hear is RUN, RUN RUN . . .

Hearing that gun, and then we're off,
so we can win that trophy that'll make our coach lay off.
Running and jumping is all that we do,
we train and train until it's all through.

Nothing can stop us, not rain sleet or snow,
We're like the postman, we just go, go, go . . .!

PROVINCIAL CHAMPIONSHIPS

The Provincial Championships were held at Université de Sherbrooke on June 26th. Claudio Shardonofsky, Deidre Pierson and Heidi Albert-Bobb represented Wagar and the GMAA. Each produced a personal best. Heidi won a Silver Medal for 2nd place in the shotput.
